

REYNOLD FIGUEROA TORRES

Software Engineer | Front End & Mobile Apps

+49 1525 6614388 reynold0801@gmail.com https://www.linkedin.com/in/reynold81 Germany

SUMMARY

Software engineering professional with over 7 years of experience in front-end development and mobile applications, expertise in JavaScript frameworks and UI/UX. Key achievements include leading a team to design responsive homepages for over 3 products at Bancoli, increasing user engagement, and developing over 4 custom mobile applications at isiNET, LLC, ensuring client satisfaction. Passionate about creating seamless user experiences through thoughtful design and clean, testable code.

EXPERIENCE

Front End Engineer

Bancoli

06/2022 - 06/2024 Remote

- Led the team responsible for designing responsive homepages for over 3 products, boosting user engagement through improved UI/UX.
- Developed and maintained critical features for Bancoli's core fintech platform across front-end and back-end, including a revamped sign-up flow which helped drive a notable increase in user sign-ups.
- Engineered modular, maintainable code with 100% test coverage, ensuring robust performance and scalability.
- Conducted thorough code reviews to enforce quality standards, identify bugs early, and maintain visual and functional consistency across devices.

Mobile Engineer

isiNET, LLC

06/2019 - 06/2022 Ponce, Puerto Rico

- Designed and developed over 4 custom mobile applications and contributed to web projects, enhancing client-facing functionality.
- Collaborated with clients to translate needs into actionable features, improving satisfaction and delivery precision.
- Resolved technical issues and provided ongoing support to maintain high app reliability and trust of thousands of users.

Software Engineer

Freelance

01/2018 - 07/2022 Remote

- Successfully delivered 3 high-impact software projects for the small business sector.
- Led the development team, managing all technical aspects from architecture to deployment while ensuring alignment with client goals.
- Handled client communications and requirements gathering, ensuring on-time, tailored solutions with post-launch support.

SKILLS

React	JS (ES6)	Typescript	
Node.js	Next.js	Redux.js	
React Native		Electron	Vue.js
Nuxt.js	HTML	CSS	SQL
NoSQL	JSON	Git	Jest

Work Ethic	Adaptability
Collaboration	Problem Solving
Time Management	Communication

STRENGTHS

Leadership
Skilled in leading teams to deliver scalable and maintainable codebases.

Adaptability
Adaptable to new tools and challenges, accelerating team progress.

Attention to Detail
Adept in ensuring code quality through thorough reviews and testing.
